No Telegraph Report

We received no telegraphic report yesterday, in consequence of the absence from the office of the operator, Mr. Beetle. The death of a promising child of Mr. B. called him to a mournful duty at his own household.

City Tax List.

This list is now in course of publication on the 4th page of the Gazette. Property holders will do well to give it their attention. The day of sale of the lands is the of 3d January next.

ENTIRELY NATURAL.—One of our subscribers yesterday asked us if the telegraphic reports of the proceedings of congress we publish each morning are the proceedings of the day preceding. On assuring him that such was the fact, he expressed his surprise, as he read the same thing in the Chicago Tribune. The mistake of our friend was a very natural one, though he reads the afternoon report in the Gazette twelve hours before he gets the same matter in the Tribune. There is such a monotonous repetition in those proceedings that it requires a critical reader to discover the difference between one day's proceedings and another. It would be an agreeable relief if the "honorables" in Washington would diversify their doings with something besides Helper's book, Union-saving, Douglas, Buchanan, and inanity generally.

THE PUBLIC SCHOOLS.—The next term of the public schools of this city will commence on Monday. During the week there will be an examination of candidates for promotion from the Grammar Schools and Ward Schools into the High School. There will be a vacation of one week, for the holidays.

DRY GOODS JOBBING HOUSE.—McKey & Brother of this city have rented the store adjoining the old stand, and intend to use it exclusively for the dry goods jobbing trade. We are glad the wholesale dry goods business is extending in this city; we doubt not it will become a source of profit to our enterprising merchants, and a convenience to the merchants in this region.

☞ J. M. Haselton & Co. have a large assortment of all kinds of ready mady made clothing, which they are instructed to sell this day, to the highest bidder.

☞ We learn from the Beloit Journal that a party of gentlemen and ladies very narrowly escaped drowning last week in that city. Two persons, a gentleman and lady, first broke through the ice, and two or three more followed them while attempting to rescue the first. After remaining ten minutes in the water, the whole number were rescued by a party of skaters whom their cries brought to their assistance. While in the water a man (so-called) skated by and refused to give any assistance alleging that his aid could do them no good.

NEW YORK CENTRAL RAILROAD.—We commence advertising this morning for this road. Mr. H. E. Sawyer, formerly of this city, is the general western agent at Chicago, an excellent appointment, by the way, just as it should be for the oldest and best route to the seaboard. Many of our citizens will give Henry a call for old acquaintance sake, as well as to consult their convenience and interest in making a trip "down east."

M. J. LIBERMAN, who has delivered in this city two lectures on Bible Slavery, will deliver his third lecture at the Methodist Church, next Sabbath, at 3 o'clock P. M. He will discuss particularly the 25th chapter of Leviticus.

SPLENDID WEATHER.—Yesterday was a most beautiful winter day. The air was not too cold nor was it warm—the sunshine was brilliant and the sky cloudless—while the roads leading into the city were hard dry and smooth. Of course every body and his wife came to town and our merchants sold a pile of goods.

A TASK OF MEMORY.—In the Sunday School at Lodi, Columbia county, under the charge of the Rev. J. B. Backman, Emily Duncan committed and recited in the course of three months 8,483 verses in the Bible; Elizabeth Ringdorf 6,610, Lucretia Duncan 3,386 and Julia Barthlomew 2,942 verses. These persons are girls from 10 to 15 years of age.

INSTALLATION.—There will be a public installation of the officers of Janesville Lodge No. 55, at the Court Room, Monday evening at 7 o'clock Dec. 19th. Rev. S. C. Bulkeley, of this city, will deliver an address. All who feel an interest in witnessing the ceremony, are invited to attend.

HEAVY HOGS.—Mr. Bemis of Plymouth, in this county, sold to E. Vinton of this city, yesterday, five hogs weighing 1965lbs.—They were the finest lot of hogs we have seen in the market this season.

Mr. Douglas has abandoned his purpose of going south, and expects soon to resume his seat in the senate.

THE CHINESE LANGUAGE.—in a recent lecture delivered at Glasgow, Sir John Bowring having asserted that the lexicon of the Chinese language consists of 70 large volumes, M. Stanislaus Julien, Professor of Chinese at the College de France and the first sinologist in Europe, has written to the Constitutionnel to point out Sir John's mistake. M. Julien states that, in reality, the Imperial Dictionary of the Emperor of Khang hi, being that which all European students of Chinese use, is only of 32 volumes 12mo, not thicker than the little finger, and containing only 42,718 characters. M. Julien asserts, moreover, that a knowledge of about one-tenth of these characters is sufficient to enable Chinese books to be understood, and that the Chinese language "is as clear as the easiest of modern languages."

☞ The total falling off in the quantity of grain which arrived at Buffalo this season as compared with last, is 6,417,583 bushels.

DIED.

December 5th, after an illness of ten days, which began with severe hemorrage of the kidneys and terminated in dropsical effusion, GEORGE HOLLEY, son of Geo. L. and Hellen Beetle, aged 3 years and 5 months.

The funeral services will take place at the house on Sunday at 2 P. M.

He hath heard the words of blessing
Bidding little children "come."
Earthly love cannot detain him
Longer from his heavenly home.

Fold his little snowy hands,
Lay them gently on his breast;
Now he lieth still and calm,
Vision fair of perfect rest.

All his grace and innocence
Hath increased our being's store;
What God giveth once is ours,—
Ours, with Him, forevermore.

Now a little hand is pointing
Heavenward, as we journey on;
May it guide us, and receive us,
When our earthly work is done.
[*Our little one's in Heaven.*]

COMMERCIAL.

Janesville Wholesale Market.

Reported for the Janesville Gazette, by BUMP & GRAY. GRAIN AND PRODUCE DEALERS.

JANESVILLE, DECEMBER 17, 1859.

The weather was not very favorable to the hog trade yesterday, but notwithstanding that, buyers purchased freely at about Thursday's figures. We note sale of five very choice hogs averaging 375 lbs at 6,05 per 100, also one weighing 480 lbs at 6,00, and ... of 8 averaging 270 lbs each at 5,85, several other lighter lots at 4,50a5,50. Receipts of wheat were about the same as on Thurday, and prices were unchanged. Corn in demand at full figures.

We make up prices as follows:

WHEAT—white winter 90a110, good to choice milling spring, at 85a92, and 78a83 for common to fair shipping.

RYE—wanted at 60a65 per 60 lbs.

FLOUR—spring at retail, 2.25, winter, 3.25.

Milwaukee Market.

Thursday Afternoon, Dec. 16th.

The Wisconsin says that the weather has been beyond criticism to day, and all out-door business has been stimulated by it, save the produce and provision trade. The former is dull generally, wheat being 1c lower. Receipts are large for the season, reaching 14,000 bus a day. Nothing doing in flour. Dressed hogs were exceedingly dull this morning, no buyers in the market; we can safely quote 10c lower, as 5,60a5,75 were the highest figures for weights dividing on 240 lbs. Lard firm, 10c at wholesale. Receipts of dead hogs are considerably less, and some holders are waiting with the expectation that this fact will secure an advance in a few days.

The wheat market is quiet and not very strong, sales of No. 1 spring at 94; No. 1 club 94a97. Oats quiet at 32. Corn 50. Rye 58a65.

Chicago Market.

THURSDAY EVENING, Dec. 16.

Wheat quiet and unchanged. Corn advanced, sales at 44. Oats in good demand. Barley 58. Dressed hogs 5,00a6,10

SAFETY AND ECONOMY!

BURNING FLUID!
HAVING purchased the sole right to manufacture and sell Prof. Greenough's Non-Explosive Burning Fluid, and having fully tested the same before many of our best citizens who are all satisfied of its important advantages over any fluid in use, I am prepared to supply all with this valuable article, and at the same price as the ordinary explosive fluid. It is used in the same lamps with no extra exrense to consumers. It gives a bright, clear light, is more durable, and it is free from the *dangerous* properties.
Any person can satisfy himself of its merits by calling and witnessing experiments.
For sale only at the People's Drug Store, west side.

Non-Explosive Burning Fluid
USED WITH SAFETY & ECONOMY.
The Best in the Market.
Palmer's Drug and Tea Store.
WE have, for several years past dealt largely in BURNING FLUID, and have always, thus far, kept fully *up to the times*, in any improvements made in its manufacture. Nearly a year ago, in an appeal in favor of its more general use, based upon the fact that the raw material from which it is made, is mainly the product of our own farms, we publicly announced that there was, at the temperature at which it is generally used, "no explosive power whatever in Burning Fluid, *as now made by those who understand the business in which they are engaged.* That injury from its use was either the result of gross carelessness, or of undue alarm caused by a bellef in its explosive power," &c. Since then we have manufactured and sold thousand of gallons to consumers in this city and vicinity, and if our assumption was an erroneous one, it would undoubtedly have been discovered ere this.
We are prepared to submit our Fluid to any test the public may call for, satisfied that, with ordinary care, *no safer, better or more agreeable light can be produced.* As we are indebted to no traveling "PROF. GREEN—OI" for the high state of perfection attained by us in its manufacture, we are, as usual, prepared to offer our Fluid at the *LOWEST MARKET FIGURES* and to guarantee entire satisfaction in its use, or the money refunded. Fall and Winter Millinery!
To the Ladies of Rock County.
MRS. O'DEA has just received a very large and select stock of splendid goods, purchased by her sister, from the *first Wholesale Houses* in the trade, and not from slop shops or auction rooms, in New York.
Her Hats will be found to consist of the newest and most fashionable styles of the present season; among them the *Marie Stewart* hat, and a fac simile of the hat which took the first premium at the late National Fair in Chicago.
Mrs. O'Dea will not offend public taste or seek to impose on public credulity by announcing several *thousands of ladies' hats at five cents each*, but she will truly say that her hats are made this season of the best and newest materials, and will be sold *at extremely low prices*. An inspection before purchasing elsewhere is respectfully invited.
